GUEST SPEAKER - ANDREW WOOTEN

“Surviving and Thriving”

In this powerfully motivating speech, learn how to unleash your inner power. Explore the attitudes and tendencies of greatness and how to approach work and leisure. Immediately you will be motivated to make changes and adjustments that will elevate you to a superior level of performance, professionally and personally. Discover your inner power and stop just surviving and start thriving!

Andrew Wooten is the president of Safety Awareness Firearms Education (S.A.F.E.), and has been in the safety and security industry for over twenty-four years. He is the National Association of REALTORS®' (NAR) instructor and consultant for REALTOR® Safety. He holds a Bachelor of Science Degree in Business Administration and a Masters in Education. Mr. Wooten's experience consists of motivational education and training in crime prevention and security management that has earned him many professional certifications in his field.
